WARRIORS FOR PEACE

The world has just narrowly escaped being plunged into a war which might easily have involved all of the so-called "civilized" nations It was averted only because the heads of two great nations see it, humiliated themselves and their countries before an arrogant That is one way of looking at the recent events in Europe. But there is another point of view, one

which has its roots in the spirit of Christianity. To the true Christian there is more greatness in humility than in prideful belligerence. Who is to say that Mr. Chamberlain ar M. Daladier, the heads of the British and French governments, were not acting in accordance with the tenets of the Christian religion i making their appeal to the head of the German government t plunged uncounted millions into untold agony and distress and cost. probably, millions of the world's No thoughtful person will deny

self, but infinitely more serious to self, but infinitely mo nislead one's own children.

Notice that the day of rest was farm demonstrations to allow others.

Notice that the day of rest was farm demonstrations to allow others.

To take care of his pigs sext sections to replace the present spring he had planted several acres of a world living in peaceful amity.

And the process has to be repeated, over and over again, with each new generation. It is an unending struggle, and sometimes seems a hopeless one, with too few giving their whole hearts and lives to it.

Yet only those of little faith would discourage any efforts which are aimed at bringing the whole aim at the Extra Session of Alabama, tor October 1, 1938.

WHEREAS, the Legislature of Alabama, tor October to be alaborated whole are the farmer to allow other farm program is adopted the refarmers to learn planting meth. South would return to the case-tolerant varieties now perales his factory o
